2026 APRO Legislative Conference

April 15, 2026 - April 17, 2026

Each spring, APRO members from across the country head to Washington, D.C., to share the rent-to-own story with federal lawmakers during the APRO Legislative Conference.

This three-day experience brings together RTO professionals from across the country to meet face-to-face with U.S. senators, representatives, and legislative staff. It's a chance to tell your RTO story and build meaningful relationships with policymakers who shape the future of our business.

Whether you're an experienced advocate or new to this kind of outreach, the Legislative Conference is designed to empower you. APRO provides tools, training, and team-based support so that every attendee can confidently and clearly communicate the value of rent-to-own – not just for businesses, but for employees, customers, and communities.

2026 Rent One Annual Meeting

April 17, 2026 - April 19, 2026

Held each spring, Rent One's Annual Meeting & Vendor Showcase brings together company leadership, team members, and industry partners for two days of connection, recognition, and collaboration. The event celebrates the past year's achievements while setting the course for continued success in the year ahead. Attendees can expect a dynamic agenda featuring a general session, educational breakout sessions, an awards dinner, and a vendor showcase exclusive to event sponsors. The showcase offers valuable opportunities to network with the management team and corporate office staff.

For general information, contact Rent One Chief Operating Officer Kelly Martin at kellymartin@shoprentone.com.

Vendors, contact Rent One Vice President of Sales and Marketing Mark Williams at mwilliams@shoprentone.com.
